

## 20-Gallon Preloaded Sharps Recovery System

Six 1-Gallon #12610, Six 5-Quart #12061, Four 2-Gallon #12042

**For a cost-effective and regulatory-compliant disposal solution for sharps containers and sealed red bag waste, the 20-Gallon Preloaded Sharps Recovery Systems are ideal for offices with multiple treatment locations.**

The Sharps Recovery System is an innovative system designed for simplified and environmentally-friendly treatment of used needles, syringes and other regulated medical waste. This large leak-proof, puncture-resistant container comes preloaded with multiple smaller sharps containers. It also features a locking pin for when it is ready to return for treatment in order to secure your medical waste during transport.

### SYSTEM INCLUDES

- Sharps collection containers
- Single prepaid USPS return shipping box
- Waste manifest tracking form
- Proper treatment and online documentation of treated waste

### ADVANTAGES

- Cost-effective alternative to pickup service, reducing costs by as much as 50% or more
- No contracts or hidden fees - order systems as needed
- Approved for sharps and other small quantities of medical waste, keeping you in compliance
- Easy to package for return, saving you time for other important job responsibilities
- Option to schedule free USPS priority pickup online at your convenience
- Online tracking and proof of treatment via SharpsTracer available 24/7, giving you complete cradle-to-grave protection
