

20-Gallon Preloaded TakeAway Recovery System

Six 1-Gallon #82610 , Six 5-Quart #82061, Four 2-Gallon #82042

For a cost-effective and regulatory-compliant disposal solution for sharps containers and used healthcare materials, the 20-Gallon Preloaded TakeAway Recovery Systems are ideal for offices with multiple treatment locations.

The TakeAway Recovery System is an innovative system designed for simplified and environmentally-friendly treatment of used sharps containers and other regulated used healthcare materials. This large leak-proof, puncture-resistant container comes preloaded with multiple smaller sharps containers. It also features a locking pin for when it is ready to return for treatment in order to secure your used healthcare materials during transport.

SYSTEM INCLUDES

- Sharps collection containers
- Single prepaid UPS return shipping box
- Tracking form
- Proper treatment and online documentation of treated materials

ADVANTAGES

- Cost-effective alternative to pickup service, reducing costs by as much as 50% or more
- No contracts or hidden fees - order systems as needed
- Approved for sharps containers and other used healthcare materials, keeping you in compliance
- Easy to package for return, saving you time for other important job responsibilities
- Option to schedule free UPS priority pickup online at your convenience
- Online tracking and proof of treatment via SharpsTracer available 24/7, giving you complete cradle-to-grave protection
