

3-, 10- & 20-Gallon TakeAway Environmental Return Systems

3-Gallon #17030, 10-Gallon #17100, 20-Gallon #17200

Guarantee compliance with the TakeAway Environmental Return System, a cost-effective unused medication collection and disposal system, accepting only non-controlled/non-hazardous medicines.

The TakeAway Environmental Return System, available in 3-, 10-, and 20-gallon sizes, is a large capacity system for treatment of unused patient medications at participating pharmacies, assisted living facilities and other community return program facilities. The top of the box features specially-designed openings for medication cards and vials.

SYSTEM INCLUDES

- Medication collection box
- Prepaid return shipping
- Unique serialization
- Proper destruction and online documentation

ADVANTAGES

- Cost-effective alternative to pickup service, reducing costs by as much as 50% or more
- No contracts or hidden fees – order systems as needed
- Approved for non-controlled/non-hazardous medications, keeping you in compliance
- Easy to package for return, saving you time for other important job responsibilities
- Online tracking and proof of destruction via SharpsTracer available 24/7
